Solomons M. D.

Mr and Mrs Marly.

I Receive your letter. at least it was here when i Return from home i had a leave so i had to spend it with my wife. so now i am Back. well it is getting warm here it have Been warm for 2 weeks. i hope you will have good weather when you go training well Cap things here look a little Bad here now for Baseball you see we have a new Captain here and he is a little tough he wont let fellows off to practice you see this is mostly a work Base. of Course i dont do much of it. so last year we had a good Club we had about 18 Ball Players. we had 4 Players from the 4 Camps we have in this area. but now this Captain want to just have a league of the fellows on this Base. so we had meeting last night and and all Captains of
